# THE WEEKLY

ROUND-UP

## LIVESTOCK

### Water reservoirs offer hope to the water searching nomadic farmers in north eastern Uganda

Pastoralist communities generally live in isolated, remote and underserved areas and rely on mobility to take advantage of transient availability of water and grazing to eke out a fragile livelihood.

## CROP

### MAAIF rallies farmers to grow Hass avocado

When Vincent Sempijja, the minister of Agriculture, Animal Industry and Fisheries, launched a nationwide avocado-growing campaign last year, the aim was to tap into the high demand in the export market.
